

SEN and Disability
Information, Advice
and support service

**Dorset
Sendiass**

- Are you concerned about Special Educational Needs and Disabilities?
- What support are SEND children and young people entitled to?
- What support is available surrounding behaviour and exclusions?
- What is an Educational Health care assessment?
- What is an Educational Health Care Plan and what should it contain?
- What if your child is missing out on education?
- What happens at an Annual Review?
- What are our legal rights?

Dorset SENDIASS offers impartial, confidential, accurate and free information, advice and support to Dorset children, young people (0-25) and their families.

- * children and young people aged 0 to 25 with additional needs
- * parents and carers of children and young people with additional needs
