

- Listen to your child read (this doesn't just have to be their school book).
- Read a wide range of books to your child, including poetry and discuss with them why the author (or poet) chose that title linking it with the events in the book/poem.
- Practise mental oral maths skills with your child e.g. counting backwards from 110; counting in 2s, 5s and 10s ready for times tables in Year 2; quick recall of number bonds within 20 (e.g. which numbers add together/subtract to make 11? 17?).
- Help your child to read the time to o'clock and half past. Use time words with your child e.g. weekends, weeks, months, earlier, later etc.
- Our topic this term is 'hats'. Help your child to look at a variety of hats and the different purposes of hats e.g for fashion, for weather, for occasions and how they have been made. Help your child to look at the work of famous hat designers e.g. Philip Treacy.
- In science, we will be identifying different trees. Help your child to spot and name different trees in the local environment.

# Frome Valley CE First School

# Year 1

# Curriculum Statement
