

MATHS WEEK 2017

Aims

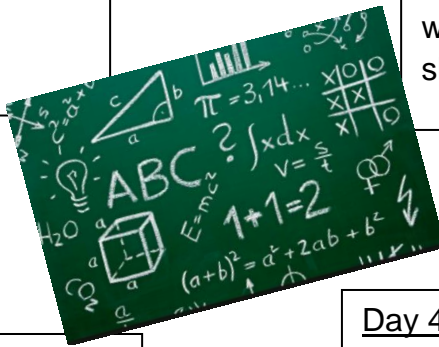

- To develop the children's teamwork and cooperative talk skills.
- To develop the children's awareness of links between maths and other subject areas
- To have a chance to try new things
- To develop thinking skills

Day 1: The Crystal Maze

Classes will complete puzzles and challenges in order to collect crystals.

Day 2: Outdoor Maths

Children will be learning outside and need to come in warm, waterproof outdoor clothes and shoes which are ok getting messy!

Day 3: Maths in Art and Music

Children will explore the links between maths, art and music through a variety of hands on activities.

Day 4: WHOLE SCHOOL PARENT AND CHILD QUIZ

At 2pm on Friday (3rd November) we will be holding a parent and child maths quiz.

If you would like to be part of a team, please let your child's teacher know by Wednesday 1st November.

Lots of fantastic prizes to be won.

As always, we give huge thanks to our PTFA who make these special weeks possible through their generous funding.
