

PTFA Christmas card update.

The children have been working hard on their wonderful Christmas card designs. Their artwork has now been sent to 'Art Projects For Schools' where it will be scanned and entered on to their systems.

When the children return to school, after half-term, their artwork will be sent home with details of how you can make an online order.

If you are unable to use the online system please pass details of your order with payment to the school office. The PTFA are happy to process orders for you.

Samples of cards are on the PTFA notice board which is situated between the Year 2 and 3 classrooms.

The deadline for orders is the **4th November 2017**. Orders can be made after this date, but will have an additional cost for postage.

The orders are expected to be delivered to school on the **10th November** and will then be sent home with the children.

Thank you for your support with this project.
