Parent Interviews

We have rescheduled parent interviews that were cancelled yesterday to next **Monday 26th March**. We have kept the original appointment times. Please speak directly to the class teachers if this date is not suitable to rearrange a different time.

Health and Fitness Week

Full details of the exciting week we have planned were sent home last week. We hope that as many parents as possible can join us on **Thursday at 2.30pm** for the dance performance. We still have a few outstanding permission forms for the WOEC trip on Wednesday. Please can parents ensure that we have written permission for your child to attend this. We hope that the week inspires children and their families to try a different sport.

Sport Relief

Sport Relief is taking place this **Friday 23rd March**. We would like all children to bring into school a bike or scooter in order to complete our Sport Relief challenge. We aim to all cycle or scoot 1 mile around the playground. Please bring in a voluntary donation that will go towards the sports relief fund. Thank you for your help in raising as much money as possible for this very worthy cause.

After School Activities

After school activities for the first half of the summer term will be emailed by the end of the week. We have Athletics, STEM Kids – Young Engineers and Archery, as well as lots more. Please remember that places are reserved on a first come, first served basis. However, we do also need a minimum number for a club to run.

Children's Books

Books from last year are now available to be sent home to parents. **Please can parents send into school a plastic carrier bag as soon as possible** to transport them home in. Thank you.

School Nurse – School Entry Health Reviews and Hearing Checks – Reception Class

Please can the school entry health review forms (Reception Class) be completed and sent back to school as soon as possible.

As part of the Healthy Child Programme, all Reception class children will have a hearing check by Karen Caines, our school nurse, next **Monday 26th March**.

PTFA News

A big thank you for the Easter Treats

Thank you for all of your kind Easter donations on Friday. We have more than enough prizes for next week's Beetle Drive.

The Easter Beetle Drive is just one week away!

If you've never been to a Beetle Drive before, please read the handy guide that has been emailed to you today by the school office. It really is an easy game that's suitable for all ages so please do come along for some family fun.

Here are all of the details: Monday 26 March. 5.15pm doors open. 5.30pm games start. 6.30pm finish time approx. Entry is just £1 and under 4s are free. Raffle tickets are £1. The star prize is a family ticket to Lulworth Castle with runner-up prizes including alcohol and children's games. Homemade cakes and refreshments will be for sale and there'll be a 'beetle' tattoo bar for the kids.

Summer Disco...save the date!

The children all loved the school disco last month so we've booked Darren from Revolution Disco again for next term. Friday 11 May is the date for your kitchen calendar!

Hooke Court – Kit List and Dietary Requirement

We still have some outstanding dietary forms. Please can any further forms be returned to the school office by tomorrow morning.

Late Arrivals

Please can we remind parents that if children arrive after the bell at 8.50am, parents need to sign their child in (as the register will have already been taken). Office staff will then take children directly to the classroom. Please remember that any arrivals up to 9.30am will be classified as late. Any arrivals after 9.30am will be classified as an unauthorised absence.

Nut Free School Lunches and Snacks

A reminder to everyone that we have a child in school who has a very severe nut allergy. Please ensure that all lunches and snacks do not contain nuts. Thank you for your help.
