Greenwood Tree Academy Trust (GTAT) Spring Term Newsletter

I have completed my first term as the Executive Headteacher of the GTAT and have got to know the schools very well. I have taken assemblies to meet the pupils to explain my role as well as visiting lessons and meeting Governors. It has been a very busy time but also thoroughly enjoyable.

Improved teaching and learning will be at the heart of the success of the GTAT. Children will receive an even better education as we build on existing good practice. Our culture is not to be complacent and acknowledge that we can all improve.

Essentially the GTAT is aiming to create a strong team of schools that will support each other for the benefit of all pupils. Staff will share their expertise and ideas to make teaching and learning as good and as exciting as possible.

We are very keen to develop links with the local community. If any of you would like to become involved please contact us for an initial meeting. My email address is pcgchadwick@gmail.com
There are a number of ways you could be involved:

Parent Forum – GTAT specific

Outdoor External Education Opportunities

Curriculum Support

Community Careers Understanding - Learning today for life in the future

Cultural & Spiritual Awareness and Education

The overwhelming impression of the pupils is that of polite, courteous, well-behaved children who are thirsty and excited to learn. We want to ensure that they experience a stimulating and inspiring curriculum within a safe and inspirational environment.

Thank you to all the schools, the children and the staff for making me feel so welcome over recent weeks. I am very much looking forward to the next term and all the learning that it will bring.

I hope you all have a restful Easter break,

Kind regards,
