

Frome Valley First School

News Weekly

Reminders

We would like to remind all parents of a few health and safety requirements that we have at the moment:

- To limit the number of people on site, we ask that only **one** parent brings their child / children to school and picks them up. Not one per child – one per family. Please, please stick to this as we have noticed that numbers have increased.
- Please do not let your child play on any of the play equipment.
- If you arrive late or need to drop something into school, please wait outside the main entrance and phone school. Someone will then come outside and meet you.
- Please leave school grounds as soon as you have dropped your child off or picked them up and maintain social distance with any other adults and children at all times.

Communication with School

For the safety of the children and staff on the school site, we cannot allow parents into the building, **including into the foyer at the front of the school**. Instead, please continue to contact us by telephoning the school and by emailing the school office. Should you arrive late any morning, please telephone the school from outside the school entrance and a member of staff will collect your child.

However, please know that we are still here for you. If you need to speak to the class teacher or Headteacher, they are more than happy to speak to you in the playground or by phone.

Healthy Lunches and Snacks and Drinks

Please can we remind everyone that as a healthy school we don't allow chocolate and sweets in children's lunch boxes. Children in Years 3 and 4 need a snack of fruit or vegetable at break time.

Also, please remember that the water bottles that the children have in their classroom need to be water only. They can have squash in a separate bottle to drink at lunch time if they wish. Thank you for your help.

Data Collection Forms

Later this week, a data collection form will be sent home with all children. This year, to avoid paper work passing between school and homes and back again, we would like parents to check that the information is correct, especially contact telephone numbers. If there are any details that need to be changed please email the school office email address office@fromevalley.dorset.sch.uk
Thank you for your help.

Individual School Photos

Individual school photos are being taken of all children in school and preschool on **Tuesday 17th November**. Unfortunately, this year, as we are keeping our class bubbles separate so we are unable to have sibling photos taken. Our school photographer (Fraser Portraits) has shared its risk assessment to ensure that we can take photographs this year within the guidelines of the pandemic.

Nut Free School Lunches and Snacks

A reminder to everyone that we are a nut free school. Please ensure that all lunches, snacks and drinks do not contain nuts.
Thank you for your help
