

THE GREAT FROME VALLEY BAKE OFF

The week after the final of the Great British Bake Off - on Monday 5 November - the PTFA will be transforming the school hall into the Bake Off tent. We'd love as many children (with their parents of course!) to get creative in the kitchen over that weekend to help raise money for the school.

Ms Thorp will become Prue Leith for the day and will be awarding the trophy to this year's Frome Valley **'star baker'** for the best cake in show! Teachers will choose the top three **'most creative bakers'** and each child will be able to cast a vote for the **'children's choice baker'** where there will be a baking-themed prize and certificate for first, second and third places. Winners will be announced to children (plus any parents who are able to come along) at 3pm in the school hall.

Please get involved by filling in the entry form below and handing it into the school office along with your **50p entry fee by Friday 19 October 2018**. Cakes will need to be delivered to school on the morning of Monday 5 November. Cakes and display stands can be any size and may include 'non-edible' decorations that will be returned.

Parents are invited to join their children in the hall that day after pick up at 3.15pm where all cakes - other than the winning three which will be on display - will be sliced and sold for 50p. The PTFA will be selling refreshments too until 4pm. Everyone is welcome – even if you are cake eater rather than a cake baker!

Please get involved with this tasty fund-raiser. These types of events really rely on as many parents as possible rolling up their sleeves, putting on their aprons and taking part. There aren't many rules other than: 1) no nuts 2) home baked cakes only 3) children must be as involved as possible in the design, bake and decoration of the cake. We of course understand that parents will be offering a helping hand! Siblings can join forces and enter one combined bake.

Thank you in advance. On your marks, get set...BAKE!

My child(ren) _____ from Year(s) _____

will be entering one cake into The Great Frome Valley Bake Off on Monday 5 November.

I have enclosed my 50p entry fee.
