

17<sup>th</sup> July 2018

Dear Parents,

We wish to advise you that we currently have a sickness bug in the Reception class with quite a few children being unwell. To ensure that this does not spread further, we are now asking that any child in the Reception class who is unwell with the sickness bug must remain off school for a minimum of 48 hours after the last bout of sickness. We appreciate your help with this matter to try and ensure that the bug does not spread any further.

Many thanks

Frome Valley First School
