Frome Valley CE First School Consent for Taking and Using Photos/Videos

Dear Parents,

At Frome Valley First School, we sometimes take photographs of pupils. We use these photos on the school's website and on display boards around school. Photos are also sometimes used within our multi academy trust (GTAT) and within the Dorchester Area Schools Partnership (DASP). Photos will only have children's 1st names with them or will be unnamed.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant boxes below and return this form to school.

If you change your mind at any time, you can let us know by emailing the school office (office@fromevalley.dorset.sch.uk) or calling the school (01305 852643) or speaking to someone in the school office. If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May 25th. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others so we would appreciate you taking the time to give consent again.
