## Parent Questionnaires

Thank you to the 38 families that have already responded to the parent questionnaire. We really do value your opinions and comments. There is still a week for anyone else to make their views known.

As advised last week, this time we are trialling, an online google form for parents to complete.

The link to the form is below.

Please remember, the questionnaire is one per family and will be anonymous. Please can all questionnaires be submitted by **Monday 19<sup>th</sup> July**. Thank you.

## New DfE Guidelines

Parents may have seen in the news that the DfE advice to schools is that all restrictions of bubbles, face masks etc will be lifted for the new academic year. Before the end of term, we will be writing to parents to let them know what drop offs and pickups will look like in September.

However, please note that schools have been advised to keep to their bubbles for the rest of the summer term. We will also be continuing with our current staggered drop offs and pickups and restricting access to the school building.

From Monday 19<sup>th</sup> July, it will no longer be a requirement to wear a face mask, when you are on school grounds, unless you wish to do so.

If you have any queries, please speak to the school office.

### **Celebration Assemblies**

This week, we have the following celebration assemblies taking place.

**13<sup>th</sup> July – Celebration Assembly (Reception, Years 1 and 2) 9 – 9.30am**

**16<sup>th</sup> July – Celebration Assembly (Years 3 and 4) 9 – 9.30am**

The assemblies will take place on the playground. Please can we remind parents that they are welcome to stand or sit in family groups, but each group must socially distance from each other. Please bring your own chairs and blankets to sit on. We will only have a few spare chairs that can be used.

Please note that if the weather is wet, the assembly will still take place but without parents. We will not be re arranging the date.

We are looking forward to once more celebrating the children's successes.

### **First Aid Forms**

From tomorrow, our first aid procedure will be changing. All first aid will still be recorded on an internal log. However, parents will not receive an advice slip unless the injury falls into the below categories:

Head Injury – orange slip and purple wrist band will still be used.

Nose bleed

Splinter – that still needs removing

We hope that this will simplify procedures for all. Please note that if you need any information on any first aid administered please speak to the class teacher.

### **Year 4 trip to Moors Valley**

Please can any outstanding permission forms and monetary contributions be paid as soon as possible. Thank you.

### **Nut Free School Lunches and Snacks**

A reminder to everyone that we are a nut free school. Please ensure that all lunches, snacks and drinks do not contain nuts. Thank you for your help
