### **Nut Free / Mango Free School Lunches and Snacks**

A reminder to everyone that we have in school a child and an adult with very severe nut and mango allergies respectively. Please ensure that all lunches, snacks and drinks do not contain nuts or mango. Thank you for your help.

Please can we ask parents to double check ingredients in products. Mango appears in a number of items that you would not think of! Unfortunately the member of staff who has severe allergy doesn't need to eat or come into contact with mango to have a reaction. It only needs to be in the same room. Your help is very much appreciated by us all.
