

School Uniform Supplier

26.2.18

Dear Parents,

Frome Valley School has undertaken a review of school uniform suppliers. This is only in relation to **uniform that has the school logo on it**. We have reviewed school uniform suppliers due to:

- Reduced quality of service from our current supplier
- Parents request to order their own uniform

Currently, all uniform is ordered by the school office through a company called School Trends. Parent ordering is possible through School Trends at an additional cost of £1.49 per item together with a £4.95 delivery charge.

We have looked around at various uniform providers and have found Tesco to offer the best service available. Using Tesco uniform will allow parents to order emblem uniform online whilst collecting Tesco points. Tesco will also make a 5% donation to Frome Valley School for every uniform purchase made.

Whilst there is a delivery cost of £3.00, this is waived if parents are part of the Tesco Delivery Saver Scheme. It is also hoped parents can share delivery.

Below is a price comparison for your information:

	School Trends – current ordering company		Tesco
	School Ordering	Parent Ordering online	Parent Ordering Online
Delivery costs	Free	£4.95	£3.00
Polo Shirts	£6.50	£7.99	£5.00
PE T-Shirts	£5.50	£6.99	£5.00
Cardigan	£11.00	£12.49	£9.00
Sweatshirt	£9.50	£10.99	£8.00
Fleece	£13.00	£14.49	£16.00
Jacket/Coat	£18.50	£19.99	N/A
Book Bag	£4.50	£5.99	£5.00

Uniform will still be available from school while stocks last.

From July onwards, parents will only be able to order online through Tesco at [Tesco.com/ues](https://www.tesco.com/ues).

For any parents that is unable to order online, we will of course support you in ordering uniform online.

Please also remember that you can still purchase school uniform (without the school logo) from any supplier.

Kind regards,

Frome Valley First School
